**GP68**

**LIST PRICE**

PMVN4002	GP68 Service Tuning Software	\$63.00
PMLN4074	Programming Cable (requires use of RIB box RLN4008)	\$8.00
PMLN4068	Cloning Cable	\$5.00
HLN9087	Antenna Adapter	\$8.00

**P110**

EVN4160	P110 PL Programming Software (also usable for: GP300 PL)	\$724.00
EVN4138	P110 Select 5 Programming Software	\$724.00
HKN9857	P110 Programming Cable (also usable for: GP300/GP600)	\$200.00
HLN9756	P110 Antenna Adapter (also usable for: GP300)	\$16.00

**GP300**

EVN4160	GP300 PL Programming Software (also usable for: P110)	\$724.00
EVN4122	GP300 Select 5 Programming Software	\$725.00
HKN9857	GP300 Programming Cable (also usable for: P110)	\$200.00
HLN9756	GP300 Antenna Adapter (also usable for: P110)	\$16.00
HKN9755	GP300 Cloning Box - Allows duplicating of radio personality from a Master radio by transferring programmed data from one radio to another. Can be used in place of HKN9857 Battery Eliminator/Program Cable.	\$286.00

**GP900**

EVN4140	GP900 Select 5 Programming Software, English (also usable for: VISAR Sel 5)	\$1,070.00
EVN4143	GP900 Select 5 Programming Software, German (also usable for: VISAR Sel 5)	\$1,070.00
EVN4144	GP900 Select 5 Programming Software, French (also usable for: VISAR Sel 5)	\$1,070.00
RKN4035	GP900 Programming Cable (also usable for: GP1200/HT1000)	\$285.00

**HT1000**

RVN4098	HT1000 PL Programming Software (also usable for: VISAR PL)	\$440.00
RKN4035	HT1000 Programming Cable (also usable for: GP900/GP1200)	\$285.00

**VISAR**

EVN4140	VISAR Select 5 Programming Software, English (also usable for: GP900)	\$1,070.00
EVN4143	VISAR Select 5 Programming Software, German (also usable for: GP900)	\$1,070.00
EVN4144	VISAR Select 5 Programming Software, French (also usable for: GP900)	\$1,070.00
RVN4098	VISAR PL Programming Software (also usable for: HT1000)	\$440.00
3080371E46	VISAR Programming Cable	\$226.00

**MOBILES**

**GM300**

EVN4161	GM300 Programming Software (also usable for: GR300/GR500)	\$443.00
HKN9217	GM300 Programming Cable (also usable for: GR300/GR500/M208/M216)	\$81.00
HLN8027	Antenna Adapter (also usable for: M208/M216)	\$13.00

**GM350**

ELN6089	GM350 Product Manual, English (including RSS)	\$137.00
ELN6091	GM350 Product Manual, French (including RSS)	\$137.00
ELN6096	GM350 Product Manual, Russian (including RSS)	\$137.00
GTF374	GM350 Programming Cable, use with std. RIB box (GM350/GM600/GM950/GM1200E)	\$47.00

**GM950**

ENLN4031	GM950 Product Manual, English (including RSS)	\$228.00
ENLN4032	GM950 Product Manual, German (including RSS)	\$228.00
ENLN4033	GM950 Product Manual, French (including RSS)	\$228.00
GTF374	Programming Cable, use with std. RIB box (GM950/GM350/GM600/GM1200E)	\$47.00
GTF377	Programming Cable Adapter - use with HHCM models	\$41.00

**M208/216**

LIST PRICE

EVN4172	M208/216 Programming Software	\$390.00
HKN9217	M208/M216 Programming Cable (also usable for: GM300/GR300/GR500)	\$81.00
HLN8027	Antenna Adapter (also usable for: GM300)	\$13.00

**FIXED**

**GR300/GR500**

EVN4161	GR300/GR500 Programming Software (also usable for: GM300)	\$443.00
HKN9217	GR300/GR500 Programming Cable (also usable for: GM300/M208/M216)	\$81.00

**TRUNKED PRODUCTS**

<b>6864117B01</b>	MPT Cookbook (English version)	\$71.00
-------------------	--------------------------------	---------

This document is intended for use by Motorola CGISS Dealers & Distributors who have prior experience of system integration, and who have been trained on MPT1327 & the 600, 1200 Series Subscriber products. This document was developed jointly by Motorola CGISS EMEA, Zetron Inc and Capital City Communications.

**GP600**

ELN6083	Product Manual, English (Software included)	\$390.00
ELN6084	Product Manual, German (Software included)	\$390.00
ELN6085	Product Manual, French (Software included)	\$390.00
HKN9857	GP600 Programming Cable (also usable for: P110/GP300)	\$200.00

**GP1200**

ELN4683	Product Manual, English (Software included) - GP1200 Stage 4	\$390.00
ELN4684	Product Manual, German (Software included) - GP1200 Stage 4	\$390.00
ELN4685	Product Manual, French (Software included) - GP1200 Stage 4	\$390.00
RKN4035	GP1200 Programming Cable (also usable for: GP900/HT1000)	\$285.00

**GM600**

ELN6086	Product Manual, English (Software included)	\$390.00
ELN6087	Product Manual, German (Software included)	\$390.00
ELN6088	Product Manual, French (Software included)	\$390.00
GTF374	Programming Cable (GM600/GM350)	\$47.00

**GM1200E**

ENLN4051	Product Manual GM1200E, English	\$390.00
ENLN4052	Product Manual GM1200E, German	\$390.00
ENLN4053	Product Manual GM1200E, French	\$390.00
GTF374	GM1200E Programming Cable (also usable for: GM350/GM950/GM600)	\$47.00
GTF377	Programming Adaptor	\$41.00
ENKN4000	Map 27 Cable	\$105.00

**Programming Tools (RIB-Set)**

RLN4008	Radio Interface Box (RIB) - Voltage Level Shifter enable communications between radio and the computer's RS232 communications adapter. Requires the wall mount power serial supply or 10-18 VDC power sources.	\$272.00
EPN4041	Power Supply RIB 220V - Wall mount power supply - Supplies power to the RIB. Order power supply for radio separately.	\$34.00
3080369B72	Cable RIB to PC (9-pin) Computer Interface Cable - IBM AT. Connects the computer serial communications adapter to the RIB.	\$71.00
3080369B71	Computer Interface Cable (25-pin) - IBM XT or PS/2-Model 30/50. Connects the computer serial communications adapter to the RIB.	\$85.00

**SERVICE AIDS  
FOR PORTABLES  
& MOBILES**

Effective Date: 2nd April 2001 Revision Date: 10th August 2001

Other - Page 3

Note: Use the models that are in bold print to order through Motorola's Radio Parts and Service Group (AAD) in Taunusstein and use the number in plain text to order from the Radius Division.

MANUF. SUGG.  
LIST PRICE

**PROGRAMMING**

RLN4438	AT GENDER CHANGER ADAPTER - Converts an IBM AT cable into an IBM XT or PS/2 Model 30/50 capable.	\$13.00
RKN4034	TEST CABLE - Provides interconnection to the RTX4005B Portable Test Set for the testing of all models.	\$45.50
TDN9662	ADAPTER - for P110 battery HNN8148	\$29.00
TDN9437	ADAPTER - for GP300 battery HNN9628	\$29.00
TDN9435	ADAPTER - for GP900/GP1200/HT1000	\$29.00

**TUNING/SERVICING**

RTX4005	PORTABLE TEST SET - Enables connection to the universal connector. Allows switching for radio testing.	\$537.00
---------	--	----------

Note: Use the models that are in bold print to order through Radio Parts and Service Group (RPSG) in Taunusstein and use the number in plain text to order from the Radius Division.
